Combined DOPs v2.pdf

Hi there!

We’re getting closer (I think... ;o) These now include exec summaries. I told all not to worry about formatting at this point (just easier to tackle it at the end).

All here, less WTR. (Just spoke with Tomas; he’ll have his in this evening, and will also send to you via e-mail.)

Ready to re-engage with you on this next week.

Have great weekend!
